*Showing the Best in Recreational
& Retirement Properties*

Hello from Savannah River Realty,

We would like to thank you for your inquiry about Savannah Lakes Village. If you have not visited our website, you might want to go to <http://screalestate.com/>

Our Blog is very informative also at www.slvtalks.com

You will find homes for sale, building sites and pictures of our two golf courses as well as our 70,000 acre lake! Savannah Lakes Village is a unique Active Adult Community located three hours from the beach (no problem with Hurricanes here!), three hours from the mountains (Asheville and The Biltmore Mansion), & only 33 miles from Augusta, Ga. which is the medical center of Georgia. We are situated at the edge of a national forest. We truly are a friendly, Southern Town. Our area is known as the piedmont or foothills of South Carolina. That provides us with moderate temperatures and humidity, four seasons and keeps the bug population very low.

*There is no better way to experience the beauty of this lake and golf course than by seeing it yourself. If you would like to come and check us out, we can help you with lodging, tee times, weather permitting maybe even a boat ride, and we would love to show Savannah Lakes Village to you. **Please consider our Discovery Package. SAVANNAH RIVER REALTY 864-443-2220

Our Community at a Glance

Savannah Lakes Village

LAKE: Savannah Lakes Village is located on a 70,000 acre reservoir, Lake Thurmond, which separates Georgia and South Carolina. Lake Thurmond is over 64 miles long, up to 220 feet deep and has 1,200 miles of shoreline. Field and Stream Magazine ranked Lake Thurmond as one of the best bass fishing lakes in the country. Deer and wild turkey are also in abundance around the Village.

AMENITIES: Two Private, 18 hole Championship Golf Courses and Country Club, indoor pool, outdoor pool, tennis, Green fees are under \$30.00 for 18 holes to members and property owners. Our 2.5 million dollar Health and Fitness Center features a tennis complex, weight and exercise room, four-lane electronic bowling alley, meeting rooms and 300 seat multipurpose/dining room. Full membership in the Country Club and all amenities are included with any purchase.

LOW TAXES: South Carolina, according to Kiplinger's Newsletter, is one of the 10 most tax friendly states for retirees. South Carolina does not tax social security. At age 65 a retiree can deduct up to \$30,000 in qualified income on State taxes. Also, at 65, homestead exemption allows for the first \$50,000 not to be taxed on your home, making your taxes considerably less with homestead exemption. To learn more: <http://screalestate.com/our-community/taxes-sc>

LOT PRICES: Begin at \$10,000 for interior, \$25,000 for golf course, and around \$75,000 on the water. Membership is included with any home site or home purchased at Savannah Lakes Village. Property Owners Association maintenance fee is under \$125 per month. Most lots have a gentle slope and are wooded. All home sites include paved roads, water, sewer, and underground cable.

BUILDERS: Your choice of over 5 quality builders to choose from. Savannah River Realty can help find the right builder when you are ready to build. There is no time limit on when you have to build. We can help you through the process of choosing a builder.

WEATHER: We have ideal weather conditions year round. A four-season climate, with mild temperatures even in the winter, with average day temperatures between 55 & 65. June, our hottest month, averages in the 90's with lows in the 70's. Golfing, tennis, boating and fishing are year round activities at Savannah Lakes Village.

STATE OF SOUTH CAROLINA SUPPORT: South Carolina selected Cooper Communities to develop the 3,987-acre project. The state purchased the property from the federal government in 1987 and sold it to Cooper Communities in December 1988. Since the area is in the heart of a National Forest, it took an act of congress to release this property for sale to the public. Three State Parks surround the village. The State's overall goal is to enhance economic development in McCormick County.

CENTRAL LOCATION: We are located between McCormick, SC and Lincolnton, GA. Abbeville, SC and Greenwood, SC are about 25 miles; Augusta, GA 40 miles; Atlanta, GA 130 miles; Columbia, SC 75 miles; Savannah, GA 170 miles; and Myrtle Beach, SC 225 miles.

Why are so many folks moving to Savannah Lakes Village in South Carolina?

SAVANNAH RIVER REALTY

Savannah Lakes is surrounded by one of the most scenic and preserved areas within the southeast, creating a rural atmosphere. We like to say we are insulated from all the pollution and crime, we are not

isolated! ***Underground utilities are installed throughout the community, including fiber-optics for high-speed digital voice, internet, and entertainment services. It is equipped with one of the most advanced digital communication and entertainment systems.*** If you could exchange the daily commute, traffic and crowded city neighborhoods for the smell of a fresh pine forest, a sunrise over the lake or maybe your own view of the golf course and piedmont forest, what would you choose?

The moderate climate of South Carolina with over 300 days of sunshine on average per year, is one of the main reasons people Love this area. The beauty and splendor of the changing seasons also is a top priority. No matter where you are in the Palmetto State, it's an easy drive to the beaches of the Atlantic ocean or mountain get-a-ways. A favorable tax structure for retirees, excellent healthcare, and a touch of our friendly southern hospitality and you will quickly understand the desirability of our area.

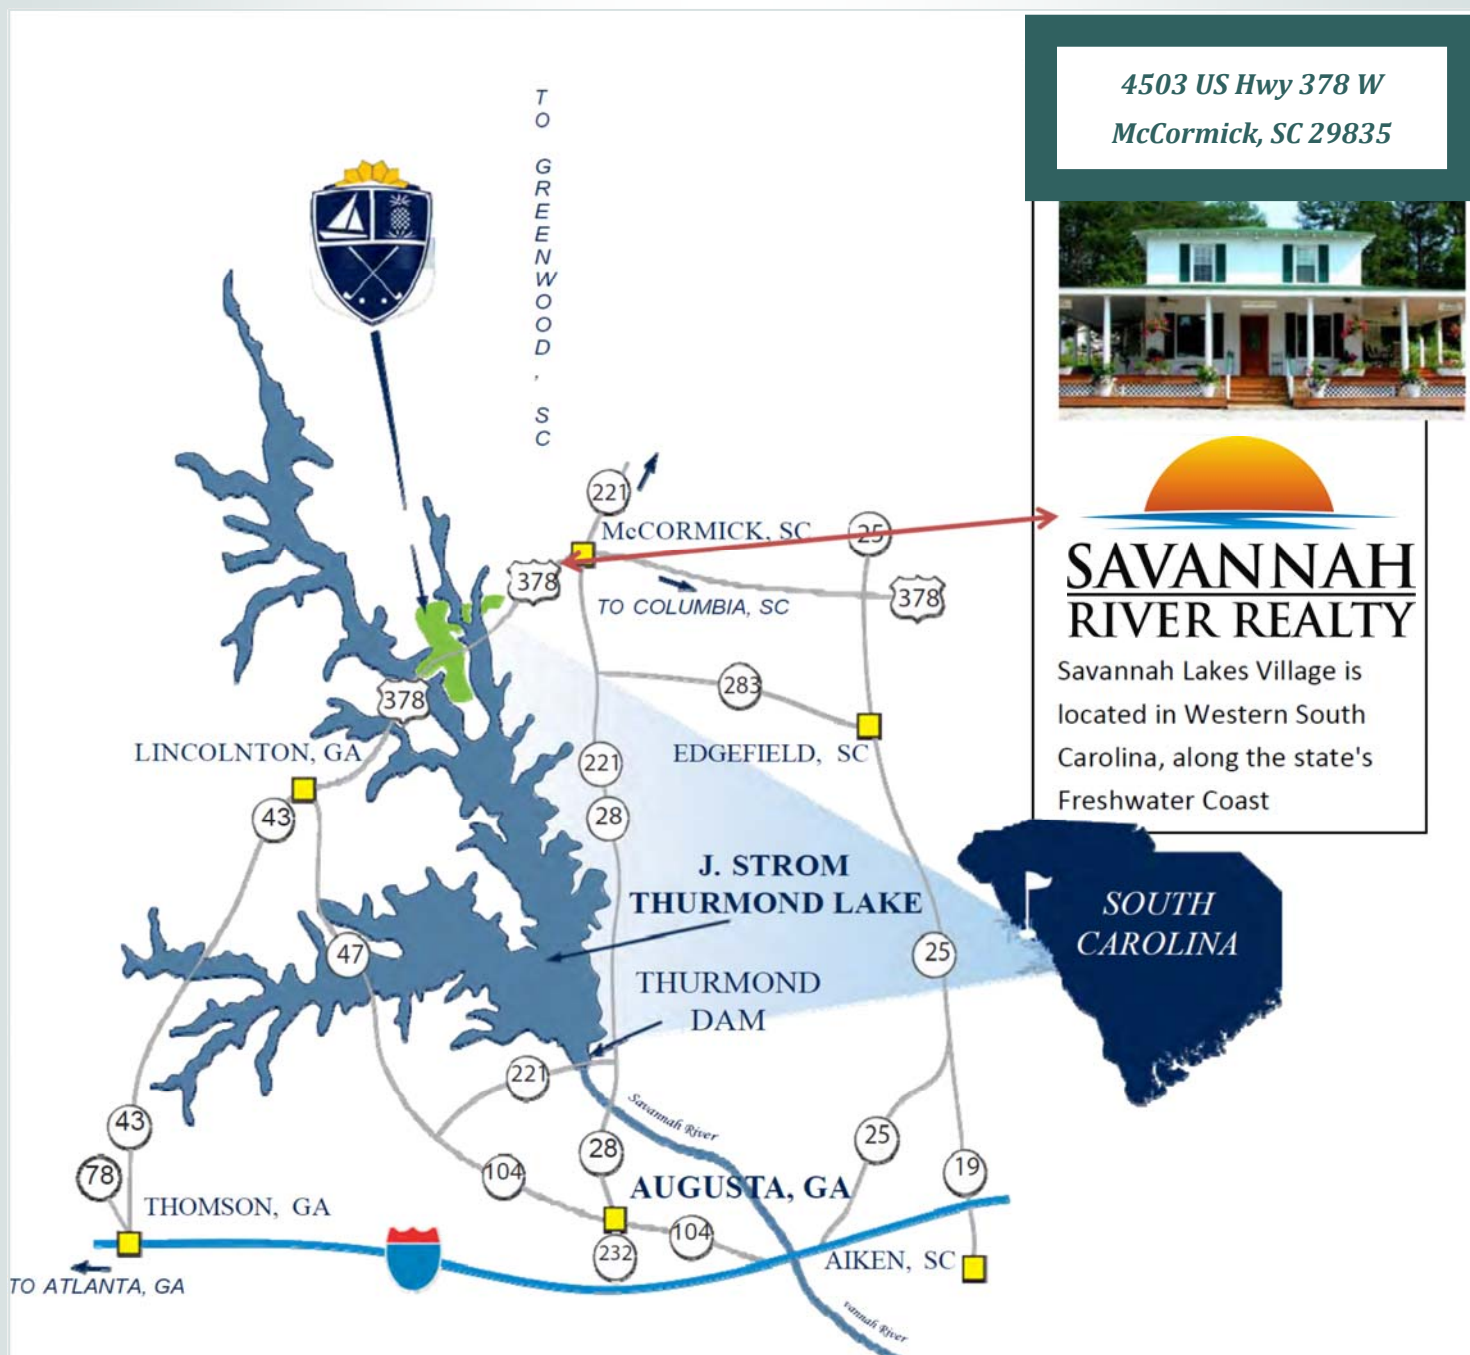

Savannah Lakes Village is fortunate to be surrounded by great healthcare services. The community is home to the Savannah Lakes Village Medical Center, which is owned and operated by the Self Regional Healthcare System. We are also surrounded by six major hospitals, including Self Regional's flagship hospital facility in Greenwood, SC just 30 minutes from the community. All other hospitals are within 45 minutes of the community.

With two community-owned lakefront golf clubs (Tara & Monticello) along with a third lakefront golf course bordering the community at the Hickory Knob State Resort Park, playing golf on the lake takes on a whole new meaning. That's a total of 54 incredibly challenging holes of golf in the immediate area. Needless to say, Savannah Lakes Village is a golfer's dream come true. All Savannah Lakes Village property owners have membership credentials at the clubs, without any initiation fees or minimums at the clubs.

Savannah Lakes Village is an established, member owned community celebrating 30 years of growth and stability. In fact, we transitioned from developer control to member ownership in December of 2000, meaning that we are now 18 plus years into this transition. This is extremely important for our community, as it means that our amenities and programs are self sufficient and not reliant on a subsidy from developer property sales.

The number one reason for living in Savannah Lakes Village is the people you meet and the friendships you will grow to cherish here. Residents have relocated from across the country, and that is one of the common ties that bind people together. As one resident recently stated it, "this is a place where genuine care and friendships are the norm." Currently there are 2,200 residents and growing. The sense of community and belonging here is very strong, but is not limited to the geographic borders of Savannah Lakes Village. Residents are heavily involved throughout the region in various organizations such as the McCormick Arts Council, Abbeville Opera House, McCormick Chamber of Commerce, Habitat for Humanity, Helping Hands, Rotary Club, Lions Club, Exchange Club, McCormick Children's Home, McCormick Humane Society, McCormick School District, and local and regional churches just to name a few. Our residents enjoy our amenities, but especially being able to give back to the local community's is of special value..
